

## Jieun Lee

PhD in Economics from University of Illinois Urbana-Champaign
Visiting Scholar, Department of Economics at Emory University
Research Interest: Econometrics, Machine-Learning
Address: 540 Asbury Cir, Atlanta, GA 30322 USA
*jieun.lee@emory.edu*•*jieunlee.sophia@gmail.com*•Homepage•Google Scholar
•Research Gate•LinkedIn•Github
Language: English (fluent), Korean (native)
Citizenship/Immigration: South Korea (citizen), United States (permanent resident)

## Academic Position

**Emory University, USA**

Visiting Scholar, Department of Economics, 2025 – Present. *Research collaborations and teaching courses in economics.*
Postdoctoral Fellow, Rollins School of Public Health, 2023 – 2025. *Served as Econometrician.*

## Education

**University of Illinois Urbana-Champaign (UIUC), USA**

Doctor of Philosophy (PhD) in *Economics* (2023) *Dissertation: Essays on Spatial, Health, and Socioeconomic Interactions*
Master of Science (MS) in *Mathematics* (2022); *Statistics-Applied* (2021)

**Ewha Womans University, South Korea**

Master of Arts (MA) in *Economics* (2016); Bachelor of Arts (BA) in *Economics* (2013)

## Research Interest

Econometrics, Machine-Learning

## Research

***Econometrics, Machine-Learning***

Publication

1. Testing the Endogeneity of a Spatial Weight Matrix in the Weak-Tied Spatial Dynamic Panel Data Model (sole-authored). *Econometric Reviews*, (2025), 44(4), 462–511. https://doi.org/10.1080/07474938.2024.2427600 Publication Manuscript Package

Working Papers

7. Functional-Form-Robust Spatial Autoregression with Endogenous Spatial Interactions (sole-authored). *Under review at Journal of Business and Economic Statistics.*
6. Network Multipliers in Gravity Models (with Hanbat Jeong).
5. Risk-Optimal Curvature Selection for Finite-Sample Cressie–Read Moment Estimation (with Anil Bera).
4. Machine-Learned Model Specification (with Esfandiar Maasoumi).
3. Double/Debiased Regularized Estimation with Ambiguous Moments (with Esfandiar Maasoumi).
2. Heterogeneous Treatment Effects of Punishment on Crimes (with Sue Mialon).
1. Machine Learning: Estimation and Testing (with Sue Mialon).

Works in Progress

5. Causal Inference with Machine-Learned Subgrouping (with Jeffrey Wooldridge).
4. Relevance-Adaptive Cressie-Read Weighting for Weak Instruments (with Bertille Antoine).
3. Knowledge Spillover in Growth Miracles (with Stephen L. Parente).
2. Regional Inequality in Knowledge Spillovers (with Jiheum Yeon).
1. Endogenous Network Formation under Congestions (sole-authored).

***Empirical Studies: Economics/Interdisciplinary***

3. Spatial Externalities in Urban Crime: Evidence from an Anti-Camping Law (with Minjae Yun). *Submitted.*

2. Identifying Novel Social Determinants of Health Subgroups among the General US Population: A Machine Learning Approach (with Xue, Q., Li, P., Mitchell, E., Weber, M.B., Yue, D., Hong, Y., Dieci, M., Harding, J.L., Ali, M.K., Shao, H.) *Under review at American Journal of Preventive Medicine.*

1. Investment in Social Capital by the Korean Elderly and Baby-Boomers (with Vladimir Hlasny). *Journal of the Economics of Ageing*, (2020), 17, 100256. Publication Manuscript

## Seminar & Conference *(*: Scheduled)*

2026: *American Economic Association; UIUC; Georgia Tech (Spring); Georgia Econometrics Workshop; Korea Development Institute; Econometric Society (North American Summer Meeting); Midwest Econometrics Group (both main and junior mentoring workshop); Georgia Tech (Fall)*; Emory (Computer Science)*; UIUC (Virtual)*; Emory (Brownbag)*; Southern Economic Association**

2025: *American Diabetes Association Scientific Sessions; Econometric Society World Congress; KSU/Emory Global Diabetes Research Center Symposium; Midwest Econometrics Group; UIUC; Emory; Southern Economic Association*

2024: *American Diabetes Association Scientific Sessions; Midwest Econometrics Group*

2023: *Purdue (Ag Econ); Rutgers; UIUC (Guest lecture in ECON 575; Econometrics lab lunch seminar); Midwest Econometrics Group; Spatial Econometrics Association; Computational and Financial Econometrics*

2022: *Midwest Econometrics Group (mentoring workshop for junior female economists)*

2019: *MEEA*

2016: *East Asian Social Policy Network; Korea and the World Economy; Aging & Society*

## Professional Service & Membership

Referee for *Applied Economics Letters, Statistica Sinica, Spatial Economic Analysis (X2), Journal of Organizational Effectiveness: People and Performance (X2), PharmacoEconomics, Journal of Diabetes Research*

Member of the *Econometric Society, American Economic Association (AEA), Korea-America Economic Association (KAEA), Korean Women Economists Networking (KWEN), Spatial Econometrics Association (SEA), Southern Economic Association (SEA)*

## Teaching

**Advanced Topics in Economics: Machine Learning & Healthcare (ECON 485)**
2027 (Spring) Instructor, Department of Economics, Emory University

**Macroeconomics & Machine Learning (ECON 422)**
2026 (Fall) Instructor, Department of Economics, Emory University

**Econometric Analysis I (PhD Core, ECON 532)**
2020 (Fall) & 2021 (Fall) & 2022 (Fall) Grader, Department of Economics, University of Illinois Urbana-Champaign

**Econometrics of Policy Evaluation (Undergraduate, ECON 474)**
2022 (Spring) Grader, Department of Economics, University of Illinois Urbana-Champaign

**Macroeconomic Principles (Undergraduate, ECON 103)**
2019 (Spring) & 2020 (Spring) Discussion Section Instructor and Teaching Assistant, Department of Economics, University of Illinois Urbana-Champaign

**Statistics in Economics (Undergraduate, ECON 202)**
2017 (Fall) & 2018 (Spring, Fall) Discussion Section Instructor and Teaching Assistant, Department of Economics, University of Illinois Urbana-Champaign
2014 (Fall) & 2015 (Spring) Discussion Section Instructor and Teaching Assistant, Department of Economics, Ewha Womans University

**Microeconometrics (Graduate)**
2015 (Spring) Discussion Section Instructor and Teaching Assistant, Department of Economics, Ewha Womans University

**Applied Econometrics (Undergraduate)**
2014 (Spring) & 2015 (Spring) Discussion Section Instructor and Teaching Assistant, Department of Economics,

Ewha Womans University

## Honors, Scholarships, and Awards

Scholarship

**Department of Economics, University of Illinois Urbana-Champaign, USA**

Scholarship for Conference (2017 Fall, 2018 Fall)

Fellowship for PhD Students (2016 Fall, 2017 Spring)

**Korea Student Aid Foundation, South Korea**

Graduate Research Scholarship for Humanities and Social Sciences (2014)

Awards

**Paper Competition for the Market Economy, South Korea** (2014)

*How to Lower the Barrier to Entry for Women in Korean Labor Market by Game Theory*

Bestowed by KB Financial Group Inc. Chairman; organized by Market Economic Research Institute

**Economic Universiade, South Korea** (2012)

*A Far-Sighted Policies to Develop Human Resources for the Economic Growth in Korea*

Bestowed and organized by Edaily, Korea Association of Economic Education, SK communications; Sponsored by the Ministry of Strategy and Finance, Ministry of Knowledge Economy, Ministry of Education, Science and Technology, Ministry of Employment and Labor, Ministry of Environment
